ADULT SERVICES

# Case Management for Adults on Maui

A starting point for families and caregivers of adults with intellectual or developmental disabilities.

## How case management can help

A case manager can help adults who qualify for services.

01

### Understanding options

Learn what support may be available and where to start.

02

### Making a plan

Build a plan around the person's goals, choices, and everyday needs.

03

### Finding services

Explore respite and other supports in the community.

## Ready to get started?

Call the Maui Case Management office

**(808) 243-4625**

Ask how to begin the DDD intake process.
